

**PROGRAM TYPE:** Vocational Training  
**CONTRACT LENGTH:** 2013-2017  
**CLIENTS SERVED:** 307

**PROGRAM SUMMARY**

The purpose of the Training to Work (T2W) grant was to improve the long-term labor market prospects for residents residing in Crossroads and North Lawndale ATC's. The T2W contract began 7/1/2013. Due to its success, it was extended to T2W-2 which ended 12/31/2017.

During these six contract years, participants received case management, education and training that lead to industry-recognized credentials for in-demand industries like forklift operation, foodservice and sanitation, welding, computer numerical control (CNC), CDL training and Microsoft technologies.

Type of Training/Certification	Duration of Training
OSHA Forklift Operator	5 days
Welding MIG, TIG, PIPE	15-20 Weeks
CNC (Computer Numerical Control)	20 Weeks
Food Service Sanitation & Customer Service	5 Days
Food Service	5 Weeks
Microsoft Technology Association/Microsoft Digital Literacy	8 Weeks
CDL	6-8 Weeks
Culinary Arts	11 Weeks

**Keys to T2W Success:**

Program evaluation cite the following attributes as key contributors to successful outcomes: relationship building between staff and participants, employment verification, trauma informed training, life skills training, employment preparation, mentoring, intensive case management, strong training provider relationships & support, family involvement, and post-release follow-up and support.
